We will be missing the reunion but would love to receive an update on all of the classmates. Our life is quite simple now that our three sons are grown and live elsewhere. Our oldest lives in Atlanta and Florida and our middle son lives near us in Chelsea, so we are involved with the two older grandchildren. Ricky plays JV football for Chelsea, that weekly event we love. Pam is applying to colleges for next year (State is it). Our youngest two and a stepson live in Florida and we visit whenever possible or they spend time in the summer with us here at the lake. Bob and I are both retired, of course, and live on Portage Lake in Pinckney. We spend winters in New Smyrna Beach, FL and go to Lake Tahoe in the fall and do a lot of hiking. Our life is pretty full and busy and as long as we have good health we will continue to travel and have fun. Family and friends are our life. Best wishes to all.

I attended Lawrence Tech following high school and graduated in 1962. I served in the U.S. Army and six years in the Michigan National Guard. I have been married to Lynn for 32 years and we have one son, age 24, currently living in Colorado. I worked for General Motors for 36 years and retired in 1999 as a Labor Relations Manager. Since our son is still single, there are no grandchildren as of now.
