

Donna (Chandanais) Bryant

Remembering the good times. My life has been a continuous adventure for a girl who never left the Detroit area until I married my childhood sweetheart, Bill. We were married on 6-27-59 at St. Bedes Catholic Church in Southfield.

Bill and I have five children and seven grandchildren during our forty-eight years of marriage. As our family grew and Bill's jobs changed, we moved often. Our first home was in Birmingham, MI. By the time Bill finished school, we had outgrown our home, we built a new home in Utica, MI. His job took us to Indianapolis, Ind. Four years later, back to Rochester, MI then to Oxford, MI, Rochester, N.Y., Green Bay, WI, and now we are in west Michigan near Kalamazoo, in a small town named Plainwell. I sure hope this is where we will be for the next 50 years.

As you can see, dust never had a chance to settle, my family liked to travel, every summer we would pick a different part of the country to explore. By the time our children finished high school, they had visited all but five of the fifty states. After the children finished college, Bill and I traveled to many countries in Europe. Besides travel I enjoy playing golf, gardening, sewing and making porcelain dolls. We also stay active in our church community.

Looking forward to our 50th class reunion, see you soon.

Marilyn (Starkey) Taylor

Marilyn (Starkey) Taylor, Grand Rapids, MI. Not much of interest to relate. My husband Dick and I have three children, two girls and one boy. The oldest daughter has three kids. Madi 12, Erin 9 and Murphy 5. Second daughter Julie and one boy, Shaeffer 4. Jay our youngest son's wife is due for their first child on September 8, a girl. We live in Bay View, MI all summer and see Jerry Londal at our golf course. Also Larry Turnen lives in Bay View. We winter in Naples, FL. My mother is still alive at 95, guess I better take good care of myself. It will be fun to see everyone at October 6. I'm very surprised at the deaths of some of our classmates. We will only be there for the dinner on Saturday. Probably I'll be helping out with the new baby. See you soon.
