

Mary Ann Waterman

Here's my biography, my photo and a picture of my kitty, Courbe.

After graduation I started working for the Township of Southfield's Building Department as a secretary. I moved to the Assessor's Office and then to secretary for the Township Supervisor. When the Township became a city, I became the City Manager's secretary. I held that job until I married in 1960.

I have 3 children, 3 step-children and 12 grandchildren.

When my children started going to elementary school full time I went back to Oakland Community College and then to the University of Michigan and got my Bachelor of Arts in 1979.

I went to Detroit College of Law nights while working at Burroughs Corporation in Mid-town Detroit. I graduated DCL in 1983 and worked as a sole practioner from 1984 through retirement in October 2003.

Since retirement I've done watercolor and oil painting. Now, I'm President of the Farmington Artists Club.

I still live in Michigan (Livonia). I am a widow as of September 2006, having been married just shy of 49 years. I have four children, two girls and two boys, all grown and up in age of course. There are 4 grandchildren, one boy and 3 girls, two grown, two young yet and 2 great grandchildren, two young boys. I spent over thirty years working as secretary-treasurer of a local bowling association in my area, over seeing some 6-7000 bowlers, I retired that position in August 2006. I continue to be involved in the state bowling association, serving as President the past nine years. I still bowl in two leagues. I also love to golf. I keep myself busy doing things with family and friends, like to read, take walks and I do a lot of traveling through bowling.

Look forward to seeing everyone real soon.
