

Jim Gorman

Wow - 50 years - and looking forward to the next 50 year reunion.
A little bio for those who might remember the tall skinny kid:

Married at 21 - 4 kids - 12 grand kids - 3 great grand kids
20 year Army career (military intelligence)

Vietnam, Thailand, Japan, Okinawa, Massachusetts, Arizona

11 years with various Defense Contractors

Finished (1991) with professorship at Cal Tech working with NASA at the Jet Propulsion Laboratories in Pasadena, Denver, and Dallas.

Spent the last 16 years either on my boat in Mexico or traveling the US in a motor home.
Tucson Arizona has been my home for over 40 years where all the family has made their homes.

Hobbies include fishing, fishing, fishing and traveling to go fishing.
And for anyone wishing to put me on their Christmas Card (email) List:
