

Tom McCann

After graduation, I joined the Navy. I got out in 1961 and had two years reserves. I traveled the states and decided to stay in Michigan.

I met a woman (Jean) who had a son in 1985. I married her in 1986 and became a father. I worked with the Special Olympics for 11 years and watched my son grow into an adult, being an Olympian.

I worked for the Sheraton and Double Tree Hotels until my retirement in 2000. We live in a retirement complex and love it. There is no snow shoveling or grass cutting, I love retirement.

I lost both my older and younger brothers. My younger brother Jerry, passed in 2006 and Ralph, the oldest passed two years earlier.

My dream was to be a husband and father. I accomplished both all in one day. I have no other dreams and am very happy with my life.
