

Judy Mikulas Cook

Here is an update of my life since graduating from SHS. I attended Alma College and graduated in 1961 with a degree in Sociology. I met my husband, Harold, at Alma and was married in August of 1962. For the first 4 years after graduating from Alma, I worked in Child Protection Services in 3 locations (Macomb County, MI, Wood County, OH and Ingham County, MI), the last of those 3 years while my husband was in graduate school.

We moved to the Kansas City area in 1965, shortly after the birth of our first daughter. I was fortunate to be able to stay home with our children the 2nd one, a son, was born in 1967; the 3rd, a daughter, was born in 1969.

We eventually moved to the Minneapolis/St. Paul area in August of 1976 and have resided here since. Through 1986, I worked at a Montessori School as well as serving as the administrator. Then in early 1987, my husband and I opened a Marketing Research Company in the Twin Cities. Until retiring in November of 2005, I was the Vice President of Cook Research & Consulting, Inc.

Our three children fortunately all live in the Minneapolis/St. Paul area with their families (including our four precious grandchildren - grandsons 11 years, 8 years, 4 1/2 years and a granddaughter 4 years).

Life has been wonderful. We spend a great deal of time with our children and grandchildren, travel frequently, garden, read and keep very busy with all types of activities. I would appreciate hearing from classmates from the Class of '57.
